X-recommended meets to attend for new swimmers

This is a tentative schedule for the summer competitions. The final schedule will be out after the April/Western Slope Meeting.

As your first, second or third year of competitive swimming approaches, we recommend you try and get your swimmer(s) to at least 4-5 meets.

Delta Meets: June 10-\$10.00
 July 4-5-\$25.00~
 July 21-\$10.00
GVW/Rangely: June 6- \$20.00~
Ouray Meet: June 13-\$10.00~
Montrose Meet: July 10-12-\$25.00-\$30.00~

Total Meet Cost: ~\$100.00 (the 6 noted above)

These are suggested meets because the travel distance is not great. The remainder of the schedule may entail sleeping arrangements and food. The Grand Junction Dolphin meet is within range, but you may want to do just one day out of the four.

The meets highlighted in red are the league championship meets and it is important to qualify for these meets to represent them as a team. To qualify you must achieve specific swim times during the season prior to the Championship meets.
